## Program Notes:

Please register your child by checking ( ✓ ) off the weeks that you want to attend.  
Send a \$50 non-refundable deposit per week by March 15, 2017 to secure your spot.  
Registrations received after March 15, 2017 will be handled on a first come, first served basis.

Check ( ✓ ) the weeks that you expect to use after care services.  
You will then be billed on a weekly basis for your actual usage of after care services.

Costs: \$390 per week, \$234 for week of July 3rd. (No program on Monday, July 3rd & Tuesday, July 4th)

After Care (4:00 pm to 6:00 pm) is \$16 per day, \$1 per minute after 6:00 pm

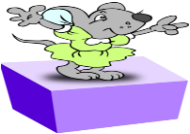

Ages: This program is for children currently in Oak Meadow's Children's House Program.

*Please note that Oak Meadow School reserves the right to cancel any given week should enrollment prove to be insufficient.*

Contact Peggy DiSarcina at [pdisarcina@oakmeadow.org](mailto:pdisarcina@oakmeadow.org) with any registration questions.

\*\*\*\*\*The \$50 deposit is a non-refundable fee. Money will not be refunded or credited to student accounts for canceled weeks.\*\*\*\*\*

## OAK MEADOW CHILDREN'S HOUSE SUMMER PROGRAM 2017

WEEK	THEME		PROGRAM DESCRIPTION
Week 1 June 12 - 16	Once Upon a Time Stem Tales		Enjoy the first week after school unwinding and playing with friends. Come alive while remembering favorite fairy tales and soar into summer with wild imagination! Once Upon a Summer.....
Week 2 June 19 - 23	Cooking in a Health Kitchen		Learn about healthy foods and engage math & reading skills while following recipes and measuring ingredients. Food safety and meal planning skills are also introduced. Nutrition and healthy choices will be really cool!
Week 3 June 26 - June 30	Outer space		Blast off into outer space. This is a fun-filled week learning about the solar system. Imaginations will soar while exploring the planets, stars and the moon. Build and name a spaceship!
Week 4 July 5 - 7	The Magical Ocean		Dive into ocean discovery! See crabs or a starfish? What lives in the ocean? Explore water, sea creatures and sand through science activities, arts & crafts and sea-food! Enjoy cooling off in the sprinkler with a pop!
Week 5 July 10 - 14	Cooking around the World		Pack some bags because this is an adventure that can't be missed! Our little chefs will cook and craft the week away. Visit Italy and make "Insalata verde," sail to Mexico and make "salsa," and then France for crepes! Enjoy the tastes of the world!
Week 6 July 17 - 21	Circus Life & Creative Performing		Join this wild and wacky circus troop! Learn magic, funny tricks and all about circus animals. There will also be lots of arts and crafts with the science behind what makes the circus fun. The week will wrap up with a circus performance for the staff!
Week 7 July 24 - 28	Middle Ages Kings, Queens & Castles		Hear ye! Hear ye! Discover the long-ago medieval world of kings, queens, knights and castles! Learn about the Middle Ages while building gothic castles and moats, play games from the medieval times, and create old-time arts and crafts.
Week 8 July 31 - August 4	Building Native American Villages		Let's build different types of Native American houses and learn about how Native Americans survived in a different environment, lifestyle and climate. Discover the continents and their culture, develop stories, vocabulary and characters.
Week 9 August 7 - 11	Puppets & Fun Theatre Acting		Design and decorate puppets! Learn how to measure and cut materials while developing fine motor skills in puppet making. Be creative and sharpen verbal skills all while using imaginations to perform puppet shows!
Week 10 August 14 - 18	Magical Science & Simple Physics		Come enjoy fun hands-on activities such as building an easy homemade parachute toy, making fossils, creating a soda bottle greenhouse...These are some of the projects that will be investigated and experimented with during this fun week of Science!

REGISTRATION FORMS AVAILABLE IN THE FOYER AND AT [WWW.OAKMEADOW.ORG](http://WWW.OAKMEADOW.ORG)
