Fall 2017 OMS After-School Enrichment Programs

Explorations with Fiber: Making Art with Textiles

CH 1- CH 3

Instructor: Marissa Poole

Day/Time: Monday 4:00PM - 5:00PM

Class runs 12 weeks: September 18th - December 11th

- No Class: October 9th, December 18th

Cost: \$327

Minimum number of students: 5 Maximum: 10

In this class children will learn about the whole spectrum of art making with fiber. We will start from the beginning - how wool is collected from sheep, brushing and spinning it into yarn and roving, using dyes from the earth and finally how to work with these natural materials. Children will learn a new skill each week and build a portfolio of art! Some projects may include wet felting with wool roving, dyeing fabric to weave with, puppet making and sewing wool felt to make 2D images

Mixed Media Birdhouses

LE 1 – MS8

Instructor: Makers Workshop

Day/Time: Monday, 4:00 – 5:00PM

Classes run 10 weeks: **October 2nd – December 11th**

- No class: October 9th, December 18th

Cost: \$390

Minimum number of students: 6, Maximum: 12

This is the perfect opportunity for students to try their hand at a wide range of new 3-dimensional mediums and processes as they construct a unique mixed media birdhouse of their own design. A Makers Workshop artisan will teach students the basics of wood working, fused glass, metalworking, and more as students execute different components for their finished masterpiece each week.

Return by September 8th for best selection – First come, first served - classes fill up fast! Fall 2017 vo

Fall 2017 OMS After-School Enrichment Programs

Study with a Purpose!

MS7 - MS8

Instructor: Lori Fox

Day/Time: Monday, 4:00 - 5:30 PM

Classes run 10 weeks: September 25th – December 4th

- *No class: October 9th, December 11th, December 18th*

Cost: \$260

Minimum number of students: 5, maximum: 8

Do you want to have a quiet place to complete homework with adult support? Then this is the club to join. You will have the support of a teacher to help you organize your long-term assignments and projects and assist you in doing your daily homework. Not only will you be able to work on your homework, but also, together, we will develop strategies for studying, completing assignments and organizing materials that are tailored toward your learning style. Come join us!

Scientist in Training

CH 1 – CH 3

Instructor: Little Scholars

Day/Time: Tuesday, 4:00 - 5:00PM

Classes run 13 weeks: September 19th – December 12th

- *No class: December 19th*

Cost: \$390

Minimum number of students: 8; maximum: 12

Take a dash of engineering and a sprinkle of earth science, toss it together with some fun and games, and you have an all new STEAM-based class. Scientists will explore the different worlds of science through weekly take home creations such as pizza gardens and rockets. Join us for this exciting journey into the world of science.

****** Scientist in Training class is for potty trained children (ages 3-6)**

Return by September 8th for best selection – First come, first served - classes fill up fast! Fall 2017 vo

Fall 2017 OMS After-School Enrichment Programs

Math Club

UE4 – MS8

Instructor: Tim Wilkins

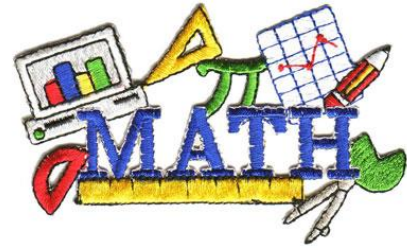

Day/Time: Tuesday, 4:00 - 5:30PM

Classes run 11 weeks: **October 3rd– December 12th**

- No Class: December 19th

Cost: \$286

Minimum number of students: 4, Maximum number of students: 12

Math Club will focus on the development of a wide range of math skills in a fun and supportive environment. Students will have the opportunity to practice their problem solving and critical thinking skills by participating in math challenges and competitions. Lessons and instruction will take place via lectures, collaborative work, and through open-ended and lively discussions of math concepts. Math Club participants will improve their math skills, number sense, and math fluency, while becoming more confident problem solvers.

Concert Choir

LE3 – UE6

Director: Mr. Pixley

Tuesday/Thursday, 7:55-8:25AM

Concert dates: Wednesday, December 6th (snow date 12/13), and May 23rd

Cost: None

Year-long commitment and mandatory regular attendance.

The Concert Choir is an elective ensemble for grades 3-6. We will learn a variety of really fun songs in diverse musical styles. Concert Choir will meet every Tuesday and Thursday morning from 7:55-8:25AM.

There will be no cost for this program. However, an email confirmation reply and a solid commitment to be on time and attend all rehearsals are required. This is a year-long commitment. Students with frequent absences or late arrivals may be asked to withdraw.

Performances at Oak Meadow will be on **December 6th at 6 pm and May 23rd at 6 pm**, together with the Concert Band.

To register or if you have any questions, please contact Mr. Pixley by email at spixley@oakmeadow.

Return by September 8th for best selection – First come, first served - classes fill up fast! Fall 2017 vo

Fall 2017 OMS After-School Enrichment Programs

LEGO Engineering/Imagineers

CH2 – LE1 (ages 4-6)

Instructor: Wicked Cool for Kids

Day/Time: Wednesday, 3:00 – 3:45PM

Classes run 12 weeks: September 20th– December 13th

- *No Class: November 22nd*

Cost: \$408

Minimum number of students: 8; Maximum: 10

LEGO Engineering Junior is a program designed specially for kids ages 4-6. The activities promote teamwork and critical thinking skills as kids investigate basic engineering concepts using DUPLOs. Build a seesaw, vehicle, and spinning top and other fun working mechanisms. Perfect for the young builder with tiny hands!

Using LEGO DUPLOs, will listen to stories based on popular fairy tales. Kids will use the engineering design process to help solve their hero's problems using simple machines. Help LEGO Sam and Sara create Rapunzel's tower and a pulley system to lift her lunch! Prince Charming's buggy is busted - can Sam and Sara build a Charming Car to carry the Prince's blocks and save the day? This program will emphasize creativity, cooperation, engineering, math and literacy skills.

Fall 2017 OMS After-School Enrichment Programs

Oak Meadow Concert Band

Grades UE5-MS8

UE4 enrollment begins in January

Director: Mr. Pixley

Day/Time: Wednesday, 2:45-3:45PM

Concert dates: Wednesday, December 6th (snow date 12/13), May 23rd

Cost: None

Year-long commitment and mandatory weekly attendance

Concert Band is a performing ensemble for Upper Elementary and Middle School, with 4th-year students eligible to join in January once they have completed their in-class Band Unit within the fall term of Music. Younger students who are accomplished on their instruments may be admitted with special permission.

While there will be no cost for this program, registration for the full year (or second half of the year, in the case of 4th graders) and a firm commitment to attend on a weekly basis are required. Students with frequent absences may be withdrawn from the program.

Performances at Oak Meadow will be on **December 6th at 6 pm and May 23rd at 6 pm**, together with the Concert Choir.

- Year-long commitment and mandatory attendance at weekly rehearsals plus concerts.
- Eligible instruments: Typical orchestral winds, brass and string instruments only. Examples: flute, clarinet, trumpet, trombone, sax, violin, cello, etc.
- It is strongly encouraged that each student also be studying their instrument with a private lessons teacher, since the Concert Band music can be quite challenging. Lessons are available after school at Oak Meadow, and nearby at several music schools, stores, and with private teachers we can recommend. Students not enrolled in private lessons must be able to learn their parts adequately, and may be required to demonstrate their readiness to the director before a concert if there are concerns.
- Please note that piano, guitar, harp, keyboard, drums and electric instruments are not eligible for this ensemble.

Aftercare is not included – you will be charged if your child attends aftercare after Concert Band.

To register or if you have any questions, please contact Mr. Pixley by email at spixley@oakmeadow.

Return by September 8th for best selection – First come, first served - classes fill up fast! Fall 2017 vo

Fall 2017 OMS After-School Enrichment Programs

Madagascar

LE1–UE6

Directors: Steve Pixley, Barbara Brady

Day/Time: Thursday, 4:00 - 5:30PM

September 21st - February 8th

- **No rehearsal: September 28th, November 23rd, December 21st, December 28th**

Cost: \$475

Minimum number of students: 11; Maximum: 20

Performance: Thursday, February 8th 6:00PM, The Rizzi Center

- **Snow date: Thursday, February 15th 6:00PM, The Rizzi Center**

Join Alex the Lion, Marty the Zebra, Melman the Giraffe, Gloria the hip hip Hippo and, of course, those hilarious, plotting penguins as they bound onto your stage in the musical adventure of a lifetime. Based on the smash DreamWorks animated motion picture, *Madagascar – A Musical Adventure JR.* follows all of your favorite crack-a-lackin’ friends as they escape from their home in New York’s Central Park Zoo and find themselves on an unexpected journey to the madcap world of King Julien’s Madagascar.

Return by September 8th for best selection – First come, first served - classes fill up fast! Fall 2017 vo

Fall 2017 OMS After-School Enrichment Programs

LEGO Robotics

LE2 – UE5

Instructor: Wicked Cool for Kids

Day/Time: Friday, 4:00 - 5:00PM

Classes run 6 weeks: **October 6th – December 8th**

- *No class: October 27th, November 10th, November 24th, December 1st, December 15th*

Cost: \$204

Minimum number of students: 8, Maximum: 14

LEGO Robotics introduces kids to robotics programming. Kids create bots with motors and sensors and program them on our own computers. There are lots of challenges to engage budding techies.

Return by September 8th for best selection – First come, first served - classes fill up fast! Fall 2017 VO

Private Music Lessons

- *Lessons run ½ hour each week.*
- *Time slots are filled on a first come, first served basis.*
- *Students are enrolled in after care before and after their lessons.*

Winter Recital: Tuesday, February 13th 4:00-5:30PM

Guitar, Bass, Ukulele with Dave Lewis

LE1 – MS8

Instructor: Dave Lewis

Day: Monday

Classes run 13 weeks: September 18th–December 18th

- *No class: October 9th*

Cost: \$507

Day: Friday

Classes run 8 weeks: September 29th– December 15th

- *No class: October 27th, November 10th, November 24th, December 1st*

Cost: \$312

Students need to bring an instrument, amps will be provided

If you've ever wanted to learn to play guitar, bass or the ukulele now's your chance. Learn to play your favorite songs, while building a solid musical foundation to grow from. Students will learn to read music, as well as the basics of music theory, in a way that is both fun and fosters creativity. All skill levels are welcome.

Fall 2017 OMS After-School Enrichment Programs

Drums or Piano with Miki

Age 4 and up

Instructor: Miki Matsuki

Day: Monday

Classes run 13 weeks: September 18th – December 18th

- *No class: October 9th*

Cost: \$507

Day: Tuesday

Classes run 14 weeks: September 19th – December 19th

Cost: \$546

Drums:

The rhythm is all around us. The beat of your heart, the sound of the crickets, the rotation of the planets, it all has a rhythm! In this class, you'll learn a natural approach to rhythm through very creative, FUN and educational exercises. You'll learn the basic commands on the drum set and hand drums, read music notation, learn the basic drum rudiments and play along with your favorite songs. By the end of this course, you'll be able to join - marching band, school orchestra, a rock/pop/R&B or any other band of your choice.

Piano:

The piano is undoubtedly the king of all the instruments! This class is designed for very beginners to an intermediate level of playing. Learn to play different genres - from classical to pop and Rock. Learn the music notation, proper hand position, and right technique. The curriculum includes: piano method books, favorite classic, pop, rock, etc. songs, scales, arpeggios, and rhythm exercises. Explore the instrument, learn and have FUN playing!

Fall 2017 OMS After-School Enrichment Programs

Piano with Rachel

LE1 – MS8

Day: Wednesday

Classes run 12 weeks: September 20th – May December 13thth

- *No class: November 22nd*

Cost: \$468

Instructor: Rachel Kuang

Day: Thursday

Classes run 12 weeks: September 21st – December 14th

- *No class: November 23rd*

Cost: \$468

Students need a piano at home on which to practice

This piano course is for all ages and levels – from beginners to advanced players. In this class, students will have a great opportunity to learn and play any style and period of music according to their interest. Anything goes – classical, jazz, rock, pop. A good foundation of playing piano and theory knowledge will be presented.

Fall 2017 OMS After-School Enrichment Programs

Drums or Piano with Sergei

Age 5 and up

Instructor: Sergei Ioannisyann

Day: Wednesday

Classes run 12 weeks: September 20th – December 13th

- *No class: November 22nd*

Cost: \$468

Drum lessons

Would you like to learn to play drums in a fun and interactive way? In this class you'll learn the basics and more of drum set, snare drum and some percussion. We'll be playing different drumbeats along with your favorite songs. You'll learn to read drum notation and basic drum rudiments.

Piano lessons

I truly believe that you have to like the music that you play! So, in my piano class we will be playing only those songs that you like and enjoy playing. In this class, you will discover that there are many beautiful songs out there! You will also learn the basics of piano such as proper technique and music notations.

Both of these classes will help you to join a rock, jazz, pop band or a school orchestra. I hope to see you all soon!

Students need a piano at home on which to practice.
