# Build a House Workshop

with Mrs. Karp

**\*Limited spots\***

**Register now at the front desk!**

**Build your own unique house!**

Plan, build and decorate each aspect of your house, from the paint colors to the furniture, in this imaginative design and construction workshop.

## Lower Elementary

**1-Week Program, June 24-28**

# Summer at Oak Meadow

## Art & Nature with Mr. DeFlorio

*Come explore Mother Nature! Interact with the life elements of earth, air, fire and water to create a beautiful and functional art kit, such as reed pens, paintbrushes, crayons, charcoal drawing tool, quill pens, pigment paints, water colors, natural inks etc. We'll use our tools out in the field to create art, draw, write and express our inner creativity. Explore patterns in nature to play with texture, color, pattern, line.*

*Other activities could include paper making, primitive pottery, natural dyeing, cordage, baskets, Earth art, Cherokee leaf prints, watercolor studio, and creating nature journals and song lines to interpret the landscape.*

### Lower Elementary:

**2-Week Program, June 10-21**

### Upper Elementary:

**2-Week Program, June 24- July 5 (except 7/4)**

**Limited spots--Register now at the front desk!**
