

During the 2022-2023 school year, there will be NO SCHOOL for students as indicated below. “Otter Days” are available by registration where indicated. (Pricing and registration will be made available as the date approaches.)

“Otter Days” are designed to keep your child engaged on a day that school is not in session. Students are grouped by program level in order to provide programming that is age-appropriate. Activities may be themed to provide purposeful activity that is balanced with an outlet for physical activity.
